

ROLLINGWOOD POOL
General Meeting Minutes
July 2017

A quorum was present via eight members of the Board members with the Board and three members.

The February minutes were approved.

Abbreviated reports were provided including Treasurer (we are on budget for this time of year), Pools & Grounds (we are working on solutions for the slide, tiling in the main pool and the leak in the baby pool; the Committee is down one member), Membership (we are full as to actives but not specials and planning to hold two open houses in August), Personnel (we are pleased with our management and staff and things have gone well this summer), Activities (Kids' Nights and Steak Night went well and the crab feast will be held the weekend after Labor Day; also we need another person on Activities), Swim Team (the season is going well, the kids are having fun and the team is looking forward to the 21228 meet) and Member at Large (hope everyone is enjoying the new chars.)

There was a question from the floor as to garbage on the playground. It was suggested that children be rewarded with free candy from the snack bar for picking up trash. Mrs. Masters declined the suggestion. The children should pick up after themselves without a reward and the guards will patrol and check for garbage. Mrs. Masters also discussed the work of the exterminators at the Pool (playground and snack bar area.)

The meeting was adjourned at 7:18.
